BILL: S2019-SB3
TITLE: An Act to Streamline SGA Communications
SPONSORS: Masud Tyree Lewis, First-Year Senator
DATE: April 14, 2019

Whereas, there have been negative concerns about the number of SGA e-mails sent per week;

Whereas, there exists no standardized platform for SGA publications, including e-mails and posters;

Whereas, there are instances whereby unscreened SGA e-mails have caused misunderstandings and avoidable tensions on campus;

Whereas, SGA e-mails lack coherence in timing, design, format, and structure;

Whereas, students are often unaware of what happens in SGA;

Therefore, be it enacted…

That, the SGA will launch an SGA Newsletter;

That, this program will be executed through the SGA Communications Committee in collaboration with the, President, Chief of Staff, Deputy Chief of Staff, and Speaker of the Senate;

That, SGA will send out a weekly e-mail to the student body including all Cabinet, Senate, and other important notifications;

That, all SGA members must submit their notifications for the newsletter to the SGA Communications Committee at least 2 days in advance;

That, submissions made after the deadline will be included in the following newsletter, unless in cases of emergency;

That, the newsletters all have a similar e-mail template design, designed by the Communications Committee;

That, special emergency e-mails are sent outside of this newsletter, but are referenced in the following weekly newsletter;

That, the newsletter may include but not be limited to the following sections:

- General Updates
- Presidential Updates
- Senate Updates
- Cabinet Updates
- “On the Horizon”: special ideas to look forward to
- Ongoing Surveys

That, the newsletter will be launched in the Fall 2019 semester.

Respectfully submitted,

Masud Tyree Lewis, First-Year Senator
